Additional Information to Consider:

- Board member terms are 4-year assignments and may be renewed for up to three terms (12 years) as defined in the bylaws for the organization.
- We serve a community where parents desire a connection to their son or daughters academic program in an active and meaningful way. It is necessary that Board members and school leadership understand and appreciate the parent's role at The Classical Academies.
- Board members will receive a travel stipend for each meeting they attend. The schools do not compensate Board members with a salary or benefits package.
- Board members will sign a Conflict of Interest statement to ensure that they are aware of the school's policies regarding participation as a Board member.
- Although public charter schools are not required to, our Board members will adhere to the Ralph M. Brown Act for quarterly meetings. The Brown Act guarantees the public's right to attend and participate in meetings of local legislative bodies.
- Board members understand and appreciate that they only act as a group in their decision-making authority and have no power individually to change, augment, or modify policy or procedures outside of Board meetings.
- The Board chairman reviews applications completed and submitted and interviews are scheduled based on needs and openings on the Board.
