## School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### About Our School

My name is Dana Moen, principal of Classical Academy High School. I have the great honor of serving as principal of this distinguished high school. My own high school experience was very positive and has greatly impacted my life and career. By building strong connections between students and teachers through a philosophy that builds on each student's unique strengths, it is my desire that each student is filled with hope for their future. Classical Academy High School will provide the opportunities and support where students will dream big and set out to accomplish even greater things than they ever imagined was possible! CAHS is a dynamic place for students to learn, grow, and become inspired!

Classical Academy High School (CAHS) is passionate about partnering with parents to provide the best education possible so that students become successful thinkers, communicators, and achievers. We provide a rigorous and flexible academic program that meets the University of California A-G requirements. As a Distinguished, award-winning, California public charter school, CAHS offers a nurturing environment teaching students to: work hard, live pure, lead with courage, and honor each other, while preparing students for college, career, and citizenship. CAHS has been recognized by Newsweek magazine as the 136th school in the nation for preparing students for college and number one in San Diego as the best high school for homebuyers in 2016. Classical Academy High School is located in downtown Escondido, is one mile from the 78 and 15 freeways, and is within easy walking distance from the Sprinter station on Valley Parkway.

### School Description and Mission Statement (School Year 2018—19)

The Classical Academies is an organization of award-winning, tuition-free, Certified California Public Charter Schools serving North San Diego County since 1999. With over 4,000 K-12 students at campuses in Escondido, Vista, Oceanside, and Online, the schools are making a tremendous impact as they reinvent public education.

Each campus offers a flexible, personalized educational environment that blends the best of independent study and the traditional classroom experience. Options range from blended in-seat and independent study programs to full-time independent study programs. The hybrid programs are uniquely designed to encourage students to explore their interests, accommodate their learning style and reach their maximum potential by becoming thinkers, communicators, and achievers.

In addition to rigorous academics, small class sizes, and an acclaimed character education program students are invited to participate in a variety of extracurricular activities and clubs, such as musical theater, choir, robotics, art, sports, and more.

The Classical Academies provide a rare educational option that is open to all students in San Diego County.

#### MISSION & VISION

##### Mission Statement

The Mission of The Classical Academies is to partner with families to inspire each student to think critically, communicate effectively, and achieve excellence by providing academic choice.

Purpose

Partner with parents to inspire and educate students

##### Motto

"Partnering with Parents for quality education" and "Partnering with Parents"

##### Vision Statement

To passionately serve, respectfully communicate, and joyfully partner for student success

##### Values (THRIVE)

The student's best interest is the focus of our academic program with the parent taking responsibility as the primary educator.

Honor the importance of character development.

Rigor and relevance is personalized, acknowledging that all learn differently.

Invest the time needed to help all students achieve academic excellence.

Visual and performing arts, technology, and extra curricular activities contribute to a well-rounded student.

Every parent partnership starts with trust, builds on collaboration, and culminates with accountability.

##### Culture Points

Passion, Communication, Impact, Judgment

Goal

Every student graduates as an exceptional thinker, communicator, and achiever with our personalized learning programs impacting local, state, and national educational options.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	72.0%	71.0%	60.0%	60.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	47.0%	58.0%	29.0%	29.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## School Safety Plan (School Year 2018—19)

The Classical Academies has a Comprehensive Safety Plan for the entire organization and site specific plans tailored to each campus. These plans are updated at least once a year and presented to staff, faculty and the safety committee. At the beginning of the 2018-19 school year (August 2018), the plans were reviewed, updated and new information was presented to staff.

Key elements of the plans are:

Comprehensive Safety Plan: Child Abuse Reporting Procedures, Disaster Preparedness, Discipline Policies, Discrimination and Harassment Policies

Site Specific Emergency Plans Emergency: Contacts (911, Principal, Campus Supervisor, Director of Safety and Security) Emergency Evacuation Maps (Showing default routes depending upon where you are on campus) Emergency Responses (Lock down, Secure Campus, Duck/Cover and Evacuation) Relocation (Primary and Secondary locations for the student body during an emergency) Student/Parent Reunification

## Types of Services Funded (Fiscal Year 2017—18)

Classical Academy High School does not take federal dollars, and as such, we do not have services and programs that might be available in traditional public schools serving similar student populations. With that said, the school delivers a comprehensive student support program that includes parents, school and community, with the goal of creating healthy literate students who are poised to achieve their full academic and social potential. To this end, we organize human resources to support student needs. Student Support Team (SST) meetings take place regularly to provide additional support for struggling students. The school and its personnel are dedicated to partnering with the community to provide more opportunities for an enriched education for our students. Our intentional efforts to leverage the resources within our community to support students include infusing the arts into academic programs, exposing students to the visual and performing arts at an early age and fostering love for an commitment to students' talents as they get older.

**Professional Development**

In the most recent three-year period, The Classical Academies have provided approximately 27 opportunities for professional growth through organizational workshops and training sessions. These professional growth opportunities had the following primary areas of focus:

- Understanding and implementation of recently adopted state standards, including Common Core and Next Generation Science Standards
- Using student achievement data (from MAP, state, benchmark, and formative assessments) to determine student needs and to provide focus areas for professional development
- Understanding of and effective implementation of strategies to develop thinking proficiencies across all grade levels and all subjects
- Technology integration

In addition to the workshops prepared and delivered by staff of The Classical Academies, teachers are encouraged and supported in attending workshops and training outside our organization. On average, a teacher has attended between 3 and 6 training sessions off-site during the most recent three years.

Methods of professional development delivery

- In-house workshops delivered on PD days or after school
- Attendance at regional, state and national conferences (CCIS, CCSA, iNACOL, etc)
- San Diego County Office of Education workshops and seminars
- Webinars

Teacher support during implementation

- Follow-up on-site activities
- Peer coaching
- Teacher-principal meetings
- Teacher-Director of Curriculum meetings
- Student performance data reporting
