Additional Information to Consider:

- Board member terms are 4-year assignments and may be renewed as defined in the corporate bylaws for the organization.
- The Classical Academies serve a community where parents desire a connection to their son or daughters' academic program in an active and meaningful way. It is necessary that Board members, and school leadership, understand and appreciate the parent's role and collectively work to support it.
- Board members will receive a travel stipend for each meeting they attend. The organization does not compensate Board members with a salary or benefits package.
- Board members will sign a conflict of interest statement and annually submit Form 700 to ensure that they are aware of the state's policies regarding participation as a Board member at a public charter school.
- Law requires that Board members adhere to the Ralph M. Brown Act, Political Reform Act, and Government Code 1090 in our quarterly meetings and will attend annual training on their role to increase their understanding of these elements.
- Board members understand and appreciate that they only act as a group in their decision-making authority and have no power individually outside of meetings to change, augment, or modify policy or procedures.
- Board members value compromise, collegial discussions, and avoid conflict in meetings to ensure that students, and their learning, remain central and not secondary.
- The Board chairman reviews all applications completed and interviews are scheduled based on need, openings, and skill set of the Board at the time of submission. **Not every application will garner an interview for service.**
