

Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan

| Local Educational Agency (LEA) Name | Contact Name and Title | Email and Phone |
|-------------------------------------|--|--|
| Classical Academy High School | Carmen Coniglio Chief Financial Officer | cconiglio@classicalacademy.com 760-520-6708 |

California’s 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. The following is a one-time mid-year report to the local governing board or body and educational partners related to engagement on, and implementation of, these Acts.

A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2021–22 Local Control and Accountability Plan (LCAP).

Classical Academy High School (Studio and Personalized Learning Campus) engaged with its educational partners, including parents, guardians, teachers, administrators, classified employees, students, and community partners, for the development of the 2021-22 LCAP. Resources available as of May 2021 did not permit inclusion of all state funds included in the Budget Act of 2021. Additional funds not included in the 2021-22 LCAP include:

- **Expanded Learning Opportunities Grant (ELO-G)** \$862,161: A public hearing was held on 9/29/2021 to amend the ELO-G Expenditure Plan to reflect additional funding allocations and integrate input from school sites vis-à-vis the allowable uses of these funds based on ongoing assessments of student needs;
- **Educator Effectiveness Block Grant (EEF)** \$270,112: A public hearing was held on 12/7/2021 to discuss the EEF Expenditure Plan and a subsequent Board meeting was held on 12/10/2021 to approve the plan. The EEF will be expended in FY 2022-23 through FY 2025-26, and planned activities are closely aligned with our LCAP goals.

Classical Academy High School expanded its efforts for meaningful engagement with educational partners in several ways during the 2021-22 school year which guided the development of expenditure plans and funding priorities. These efforts include school-based teachers’/team meetings, strategic planning meetings, leaders’ meeting updates and budget overview, identification of metrics for monitoring purposes, LCAP goal/action implementation meetings, parent and employee surveys, budget development process, and community presentations.

A description of how the LEA used, or plans to use, the additional concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.

Classical Academy High School (CAHS) had an unduplicated pupil percentage of enrollment of 24% for the 2020-21 academic year, which was the basis for calculation of the additional 15% concentration grant in the Budget Act of 2021. Based on this percentage, CAHS is not eligible for additional concentration grant add-on funds.

*2020-21 % “Unduplicated Pupil Count of Free/Reduced-Price Meals, English Learners and Foster Youth” from [Ed-Data.org](https://www.ed-data.org)

A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.

Classical Academy High School did not receive one-time federal funding to support recovery from the COVID-19 pandemic and the impact of distance learning on students.

A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.

Classical Academy High School did not receive Title I funds in FY 2020-21 and is not eligible for ESSER III funds.

A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA’s 2021–22 LCAP and Annual Update.

Classical Academy High School’s 2021-22 LCAP is a comprehensive planning document that captures the priorities, goals, and actions to improve student outcomes. As such, the additional funds received are viewed through the lens of the LCAP to determine where student needs exist and what services are needed to address those needs. Both ELO-G and EEF funds complement the existing LCAP in the following areas:

Goal 1: Ensure students demonstrate academic growth and proficiencies so they leave ready for college or career: Access to paraprofessionals (RTI Specialists, SAs, and SpED support), student intervention, 1:1 Chromebook access, supplemental instruction and support strategies, student assessment data analytics, specialized curriculum, and required instructional materials and resources for students to acquire knowledge necessary for achieving proficiency in Common Core State Standards

Goal 2: Engage parents and community partners through education, communication, collaboration to promote student social emotional success: Individual and group counseling activities, coaching and mentoring of staff, ongoing professional development, and practices to create a positive school climate, including DEI training, effective language acquisition programs for English learners, social-emotional and behavioral supports, parents IEP involvement, and overall increased learning support.

Instructions for the Supplement to the Annual Update for the 2021–22 Local Control and Accountability Plan Year

For additional questions or technical assistance related to the completion of the Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan (LCAP), please contact the local county office of education (COE), or the California Department of Education’s (CDE’s) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at lcff@cde.ca.gov.

Introduction

California’s 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. Section 124(e) of Assembly Bill 130 requires LEAs to present an update on the Annual Update to the 2021–22 LCAP and Budget Overview for Parents on or before February 28, 2022, at a regularly scheduled meeting of the governing board or body of the LEA. At this meeting, the LEA must include all of the following:

- The Supplement to the Annual Update for the 2021–22 LCAP (2021–22 Supplement);
- All available mid-year outcome data related to metrics identified in the 2021–22 LCAP; and
- Mid-year expenditure and implementation data on all actions identified in the 2021–22 LCAP.

When reporting available mid-year outcome, expenditure, and implementation data, LEAs have flexibility to provide this information as best suits the local context, provided that it is succinct and contains a level of detail that is meaningful and accessible for the LEA’s educational partners.

The 2021–22 Supplement is considered part of the 2022–23 LCAP for the purposes of adoption, review, and approval, and must be included with the LCAP as follows:

- The 2022–23 Budget Overview for Parents
- The 2021–22 Supplement
- The 2022–23 LCAP
- The Action Tables for the 2022–23 LCAP
- The Instructions for the LCAP Template

As such, the 2021–22 Supplement will be submitted for review and approval as part of the LEA’s 2022–23 LCAP.

Instructions

Respond to the following prompts, as required. In responding to these prompts, LEAs must, to the greatest extent practicable, provide succinct responses that contain a level of detail that will be meaningful and accessible for the LEA's educational partners and the broader public and must, to the greatest extent practicable, use language that is understandable and accessible to parents.

In responding to these prompts, the LEA has flexibility to reference information provided in other planning documents. An LEA that chooses to reference information provided in other planning documents must identify the plan(s) being referenced, where the plan(s) are located (such as a link to a web page), and where in the plan the information being referenced may be found.

Prompt 1: *“A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2021–22 Local Control and Accountability Plan (LCAP).”*

In general, LEAs have flexibility in deciding what funds are included in the LCAP and to what extent those funds are included. If the LEA received funding through the Budget Act of 2021 that it would have typically included within its LCAP, identify the funds provided in the Budget Act of 2021 that were not included in the LCAP and provide a description of how the LEA has engaged its educational partners on the use of funds. If an LEA included the applicable funds in its adopted 2021–22 LCAP, provide this explanation.

Prompt 2: *“A description of how LEA used, or plans to use, the concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.”*

If LEA does not receive a concentration grant or the concentration grant add-on, provide this explanation.

Describe how the LEA is using, or plans to use, the concentration grant add-on funds received consistent with California *Education Code* Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

In the event that the additional concentration grant add-on is not sufficient to increase the number of staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, describe how the LEA is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Prompt 3: *“A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.”*

If the LEA did not receive one-time federal funding to support recovery from the COVID-19 pandemic and the impacts of distance learning on students, provide this explanation.

Describe how and when the LEA engaged its educational partners on the use of one-time federal funds it received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on students. See the COVID-19 Relief Funding Summary Sheet web page (<https://www.cde.ca.gov/fg/cr/relieffunds.asp>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<https://www.cde.ca.gov/fg/cr/>) for additional information on these funds. The LEA is not required to describe engagement that has taken place related to state funds.

Prompt 4: “A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.”

If an LEA does not receive ESSER III funding, provide this explanation.

Describe the LEA’s implementation of its efforts to maintain the health and safety of students, educators, and other staff and ensure the continuity of services, as required by the federal American Rescue Plan Act of 2021, and its implementation of the federal Elementary and Secondary School Emergency Relief (ESSER) expenditure plan to date, including successes and challenges.

Prompt 5: “A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA’s 2021–22 LCAP and Annual Update.”

Summarize how the LEA is using its fiscal resources received for the 2021–22 school year to implement the requirements of applicable plans in a manner that is aligned with the LEA’s 2021–22 LCAP. For purposes of responding to this prompt, “applicable plans” include the Safe Return to In-Person Instruction and Continuity of Services Plan and the ESSER III Expenditure Plan.
